

Jamestown Salish Seasons (JSS)

Provider Referral & Admission Guide

Voluntary, 24/7 Acute Behavioral Health Facility for Adults (18+)

We offer stabilization, compassionate care, and structure support in a safe environment, partnering with community and Tribal agencies for a medically appropriate intake process.

Suitable for Admission

- ✓ **Acute Adult Psychiatric Symptoms** (suicidal ideation, mood disorder, psychosis)
- ✓ **Voluntary Informed Consent for Treatment** (must be willing and able)
- ✓ **Medically Stable** (capable of engaging in group treatment and structured daily activities)
- ✓ **Basic ADL Assistance Available** (hygiene prompting and routine self-care encouragement)

Exclusionary Criteria (Outside Our Scope)

- ✗ **Active Violence** (violent, assaultive, or homicidal intent/behaviors)
 - ✗ **Unmanaged Medical Conditions** (unstable diabetes, hypertension, seizure w/o medications)
 - ✗ **Highly Contagious Infectious Diseases**
 - ✗ **Complex Medical Conditions** (wound care, IV therapy)
 - ✗ **High-Level ADL Care Needs** (hands-on physical help, assisted toileting, diaper changes)
-
